

This voluntary, professional development opportunity is a collaboration between

This voluntary, professional development opportunity is a collaboration between participants in the New to Public Health (N2PH) Residency Program and public health professionals. This service will support participants in the N2PH Residency Program.

Complete this application to be considered as a mentor. A team member will reach out to discuss the matching process. Until then, questions can be directed to new2publichealth@son.wisc.edu

Mentor Requirements:

- At least one year of experience within the field of public health
- Agree to a 12-month commitment with assigned mentee
- Connect with mentee at least once per month via phone, email, or video call
- Attend initial mentor training and two additional check-ins with N2PH Residency Program facilitators.
